What is ValoJump?

ValoJump grants superpowers on a trampoline. The players' reflection is translated into a digital gaming world. Players enjoy challenges, learn new tricks with training tools, or compete against each other in the world's first two-player game for trampolines.

There are two main ValoJump systems available:

ValoJump with an 86-inch Screen: This version features an 86-inch screen, providing players with a large and immersive gaming experience.

ValoJump with a 55-inch Screen: The 55-inch screen version offers a more compact setup while still delivering an exciting gaming experience.

Additionally, if you have the space and desire for multiplayer gameplay, you can pair two ValoJump systems (trampoline area + screen) to enjoy games in the coveted multiplayer mode.

If your location doesn't allow for a traditional trampoline setup or you want a portable option, you can opt for ValoJump Air, which comes with an Airtrack mat for a unique gaming experience.

Two are better than one

In multiplayer mode, the game is twice as fun! Players compete side by side and in real-time for victory, whether it's on trampolines or Airtrack mats.

Suitable systems for every application!
